SECOND RODEO

Jesse Rutherford

(Rockstar)

I'm ready to face the cold
I'm ready to be alone
I'm ready, I'm ready, I'm ready
I'm ready for the show
Cowboy, you know this ain't my first rodeo
I'm ready, I'm ready, I'm ready

Scared of the train, scared of the rats
Scared of the snow, scared of the trash
Scared to go home, so I can't look back
Life's too short to be scared to death
I was already scared of this
Life's too short to be scared of that

I'm ready to lose my mind
But my old routine, it stopped getting me high
I'm ready to feel alive
