

Wanted?

Jesse Rutherford

Living in a labyrinth
Same old song and dance
Even if I found the end
I would do it again
I'm not gonna waste my time
Trying to wonder why
Written in my destiny
I believe it

I can't deny I'm a fool for you
Oh and I'm gonna try dead or alive, I admit it

Even if I get what wanted
Would I even know that I got it?
Doubt it's gonna feel how I thought it would, if I say I'm good
Enough ain't enough 'cause
Even if I get what I wanted
I already made it a promise
Nothing's gonna get me to stop it now, it's ironic how
Enough ain't enough 'cause
I want all of your love
I want all of your...

Lookin' for a funny friend
To keep me laughin', yeah
Creature of my habitat
I'm tired of being alone

I can't deny what I would do for you
Oh and I'm gonna try dead or alive, I admit it

Even if I get what wanted
Would I even know that I got it?
Doubt it's gonna feel how I thought it would, if I say I'm good
Enough ain't enough 'cause
Even if I get what I wanted
I already made it a promise
Nothing's gonna get me to stop it now, it's ironic how
Enough ain't enough 'cause
I want all of your love
I want all of your love

Even if I get what wanted
Would I even know that I got it?
Doubt it's gonna feel how I thought it would, if I say I'm good
Enough ain't enough 'cause
Even if I get what I wanted
I already made it a promise
Nothing's gonna get me to stop it now, it's ironic how
Enough ain't enough 'cause
I want all of your love
