

# Depression

Jesse Welles

My house is full of depression antiques  
From all the way, way back  
Late last week, man

It's a D-E-P-R-E-S-S-I-(oh)-I-O-N

I ain't a gambler but I bet  
It don't get  
Better

Well there ain't nuttin' much to do  
But sit and watch the tube  
Wait till the pill to come and kick the door through

On yer D-E-P-R-E-S-S-I-(oh)-I-O-N  
So sayeth the therapist: come back  
... well if you insist

I was so broke  
That I went and got fixed  
The veterinarian was nice  
But my doctor was pissed

It's a D-E-P-R-E-S-S-I-(oh)-I-O-N  
Well I've always been a little bit sad around the edges  
It ain't nuttin' to fix  
And it ain't contagious  
It's just a D-E-P-R-E-S-S-I-(oh)-I-O-N  
I ain't a gambler  
But I bet  
It don't get  
Better
