

# Forever, Whatever

Jesse Welles

She was a garden  
A real blue bird  
Light as the wind  
She loved Jesus  
She had reasons  
That I didn't need to get

She cried Mary  
She dug catcher  
And she went her own way  
I couldn't wait  
To get straight  
Just to see what she'd say

And I'm pretty dumb  
But I ain't faded  
I ain't naïve  
But I ain't jaded  
What do you know about me  
What do you know about me

I'm determined  
And I won't back down  
If it takes forever  
I'm gonna stick around  
I know what's real  
I know what's fake  
If it takes forever  
It's whatever  
It's gonna take what it takes  
What it takes

I was a hopeful  
In blue Levi's  
And a red pair of chucks  
Macrame bracelet  
Fully carburated  
Smokin in a green Chevy truck

I was an acolyte  
With two black eyes  
And a Zeppelin cassette  
Pretty bad memory  
Ain't that friendly  
But I just can't forget

And I'm pretty dumb  
But I ain't faded  
I ain't naïve  
But I ain't jaded  
What do you know about me  
What do you know about me

I'm determined  
And I won't back down  
If it takes forever  
I'm gonna stick around

I know what's real  
I know what's fake  
If it takes forever  
It's whatever  
It's gonna take what it takes  
What it takes

I was a wash up  
Busted  
Head full of sad  
Friend-o-the-dope-man  
Driving my old van  
Blacking out with my old man

And I'm pretty dumb  
But I ain't faded  
I ain't naïve  
But I ain't jaded  
What do you know about me  
What do you know about me
