

# Independence Day

Jesse Welles

It's Independence Day  
Light a cherry bomb  
And celebrate your independence  
Renting in a subdivision  
Blowing up your neighbor's lawn

It's Independence Day  
Have an ice-cold beer  
Or drink a cold White Claw  
But keep it hid from your pa  
Cause today ain't the day for coming out queer

Eat your hotdog and shut up  
Close your eyes and thank God for beef  
Hell, even free-range cows  
Get fenced in somehow  
To keep 'em all nice and neat

It's Independence Day  
What kinda chips do you choose?  
We got variety: cheddar cheese, sour cream  
But when you vote ya gotta pick from two

Pay your taxes and shut up  
No telling what kinda bomb they'll buy  
And send it in the mail  
To some war-torn hell  
But at least you know you know you're on the right side, hell y  
eah

It's Independence Day  
Go down a Slip 'N Slide  
And on a scale of free  
From one, two, or three  
Do ya think you'll make it out alive?

It's Independence Day  
And I'm glad for it  
I'm thankful I can say  
What I want to say  
And not be killed by the government
