

## Labor Day

Jesse Welles

It's the unofficial end of summer  
From the most official source around  
Get ready for fall  
Pumpkin spice, y'all  
It's about to be the big first down  
It's the back-to-school  
Labor Day sale  
Down at the John Smith  
Honda, Buick, GMC  
Mitsubishi, Ford, Chevrolet, Hyundai  
Get down and spend some money

But I hope that you had a nice summer  
And I hope that you're done wearin' white  
And I hope that your fall ain't a bummer  
Hope your schoolin' goes alright  
It's Labor Day

Way back, back in 1890 and 4  
Grover Cleveland signed it in to law  
Said, "This is your federally allocated state mandated  
Summer's last hurrah!"  
See, he had to cool it down  
Spread some love around  
Placate some boycotts and such  
'Cause the folks that were workin'  
Were tired of workin'  
So doggone daggum much  
Listen to em work

But I hope that you had a nice summer  
And I hope that you're done wearin' white  
And I hope that your fall ain't a bummer  
Hope your schoolin' goes alright  
It's Labor Day
