

# Ozark

Jesse Welles

I was born up on the hill  
Though I am being born still  
I was carried down to the river valley

On the big bend of the Arkansas  
I was raised up right or I was raised up wrong  
It depends on who you ask about me

People talk but they don't know  
When ya tell em that's where you call it home  
They say ah yea buddy I seen that show before

But they don't know what it's like to feel  
Like the world is wrong and the nature's real  
Rollin down Altus hill

Ozark end of the rainbow  
Ozark paradise  
Twice as nice  
As any other place  
Ozark misty mountain  
Ozark running springs  
It's an H I double L B I double L Y thing

Watch the river flow the way it does  
Watch the trees grow the way they do  
It's all connected  
It's all connected to you

When I was young I didn't understand  
But I'm older now and I've seen the land  
Ozark please forgive me my trespasses

Cause I've been around and I seen the way  
Everybody everywhere is about the same  
Ozarks just so beautiful kiss my ass

Ozark end of the rainbow  
Ozark paradise  
Twice as nice  
As any other place  
Ozark misty mountain  
Ozark running springs  
It's an H I double L B I double L Y thing

Watch the river flow the way it does  
Watch the trees grow the way they do  
It's all connected  
It's all connected to you

Ozark end of the rainbow  
Ozark paradise  
Twice as nice  
As any other place  
Ozark misty mountain  
Ozark running springs  
It's a hillbilly thing
