

Ain't Makin' No Headlines (Here Without You)

Jessi Colter

[Chorus]

Ain't making no headlines here without you
You do for me what no one else can do
The love you promised me keeps growing stronger
And so I'll carry on, yes, I'm going to carry on

[Verse]

I made a little side trip to Mexico
They caught me with some Acapulco gold
So I'm in jail down here, ain't much I can do
But pass the time and keep my mind on you

[Chorus]

[Instrumental break]

[Chorus] (2x)
