He Called Me Baby

He called me "Baby, Baby" All night long. Used to hold and kiss me 'Til the dawn.

Then one day I awoke, And he was gone. There's no more "Baby, Baby" All night long.

He called me "Baby, Baby" All night long. Kissed my tears away When things went wrong

What I'd give If he'd just come back home And call me "Baby, Baby" All night long.

He called me "Baby, Baby" All night long. He built me up so high And made me strong

Now each night in dreams Just like a song I still hear "Baby, Baby" All night long. I still hear "Baby, Baby" All night long. "Baby, Baby" All night long.
