

Maybe You Should've Been Listening

Jessi Colter

Here you are back on my mind where you stay quite a lot
Bringing back all the old mem'ries I thought I'd forgot
I just keep finding you with me and I don't know why
Maybe you should've been listening when I said goodbye

I can't believe how you keep hanging on to my mind
Now I know leaving means one goes and stays behind
I can't escape from you no matter how hard I try
Maybe you should've been listening when I said goodbye

Maybe you should've been watching when I walked away
Maybe you wouldn't keep turning up day after day
If you'd paid attention you'd have known I didn't lie
Maybe you should've been listening when I said goodbye
Maybe you should've been listening when I said goodbye
