

# That's the Chance I'll Have to

Jessi Colter

[Verse]

Troubles and a worried mind  
It seems that's all I've ever known  
But I will leave it all behind  
If you will just leave me alone  
And if I go on loving you  
If to leave is a mistake  
If I am wrong what I do  
That's just the chance I'll have to take  
Don't bother now to waste the time  
Saying those things you've said before  
I've heard it all a hundred times  
And I won't listen anymore

[Outro]

Oh if I go on loving you..
