

There Ain't No Rain

Jessi Colter

[Chorus]

There ain't no rain (rain in God)
There ain't no rain (rain in God)
There ain't no rain (rain in God)
There ain't no rain (rain in God)
There ain't no rain (rain in God)
There ain't no rain (rain in God)
(Rain in God rain in God)
(Rain in God rain in God)
(Rain in God rain in God)
(Rain in God rain in God)
(Rain in God rain in God)

[Verse]

There ain't no rain in God
He made the sunshine just for you
Don't let those storm clouds brew
Don't let this world get to you
Don't you know he's overcome
When he died the work was done
There ain't no rain in God
When darkness creeps all around
Hate his face and put him down
Don't you know you're on God's ground
And there ain't no rain in God

[Chorus]
