

You Mean to Say

Jessi Colter

You mean to say, you're gonna go an' leave me
You mean to say that it'd be that easy
You mean to say that it's you I see, walkin' away

What'd I say? What'd I do wrong?
Could it be I stayed here too long?
You mean to say you'd walk away from me

You mean to say the love we knew
Is now at an end, is now at an end
You mean to say by walkin' away
We'll never love again, we'll never love again

Okay, okay, you must be going
But you don't go before I'm knowing
What'd I do to make you change your mind

You mean to say the love we knew
Is now at an end, is now at an end
You mean to say by walkin' away
We'll never love again, we'll never love again
(Never love again)
We'll never love again, we'll never love again
(Never love again)
