All you kids pretending you have money, go away
'Cause I can hang your salary on my shoulder
I'm way too fly to be one of y'all
You can't even breathe in my position

Why should I sit with you?
I'll send over a bottle, drink it with your hyungs
This unni is your unni, you're a young boy
On your way back, call over the waiter for me

Cause I'm self made
Ain't nobody ever made me
I'm in the party going crazy
This is like a movie

I feel like Gucci yeah
I feel like Gucci baby

I'm a bad motherfucker in the room, yeah
I feel like Gucci (I feel like Gucci)
I feel like Gucci

I drive my own car, just get in next to me
There's a lot to show you, let's eat, I'm the food
All the way to the top, that's my mission
Kiss my ass, competition

Why should I stick with you?
Wherever I go, I only get love

This unni is your unni, you're a young boy
On your way back, call over the waiter for me

Cause I'm self made
Ain't nobody ever made me
