

I Should Quit

JESSIA

I should quit having friends with benefits
Cause it always fucks me up real bad
I should quite hangin' out with degenerates
But they always the most fun that I've ever had

You can call me anxious that I'm crazy
But baby that is just the half of it
Cause I can be a rebel and your lady
Now kiss my hand and tell me I'm a bitch

I should quit but I don't wanna
I wanna see how it ends
Cause I'm a woman
Who doesn't listen to her her friends
Yes, I'm stupid
But imma do it again
Because I wanna
I wanna see how it ends
I wanna see how it ends

I should quit tellin' lies to sound cooler
But I'm just too desperate to fit in
I should quit thinkin' that I'm a loser
Cause I'm feelin' mighty fine in my own damn skin

And you can say you hate the way I do things
But I will always hate it even more
It's kinda fun not knowing what I'm doing
Never ever knowing what I got in store

I should quit but I don't wanna
I wanna see how it ends
Cause I'm a woman
Who doesn't listen to her her friends
Yes, I'm stupid
But imma do it again
Because I wanna
I wanna see how it ends

I know it's sounds cheep but I love it
I'm in it balls deep oh, I'm making a mess
Ain't getting any sleep cause I want
Just one more hit baby give it
Cause I'm never gunna quit

I should quit but I don't wanna
I wanna see how it ends
Cause I'm a woman
Who doesn't listen to her her friends
Yes, I'm stupid
But imma do it again

I should quit but I don't wanna
I wanna see how it ends
Cause I'm a woman
Who doesn't listen to her her friends
Yes, I'm stupid

But imma do it again
Because I wanna
I wanna see how it ends
