

# Without You

JESSIA

I've been so desperate for you lately  
These other boys don't do the same things you do now  
I know it's bad but can you blame me  
I say I'm fine but I'm just getting used to you not wanting to

Call me up  
Ask me how I've been  
Show me love  
Guess you're really over it  
I'm not done  
Oh you got me thinking now  
Thinking now  
What do I do cause

Oh my god  
Guess I'm waiting for someone who  
Looks like you talks like you  
But that still won't be enough  
All my friends  
Think I'm out here having fun, but  
No matter how hard I try  
I can't fall in love without you

I can't, I can't fall in love

You've been so distant from me lately  
It's not as easy for me to cut you out  
Oh don't you miss calling me baby  
I say it's fine but I'm just getting used to you  
Not wanting to

Call me up  
Ask me how I've been  
Show me love  
Guess you're really over it  
I'm not done  
Oh you got me thinking now  
Thinking now  
What do I do cause

Oh my god  
Guess I'm waiting for someone who  
Looks like you talks like you  
But that still won't be enough  
All my friends  
Think I'm out here having fun, but  
No matter how hard I try  
I can't fall in love without you

I can't fall in love without you  
(I can't, I can't fall in love)  
I can't fall in love without you  
(I can't, I can't fall in love)

So I'll keep dancing at these parties  
Pretending that you're there  
I'm emotionally shut

Run my fingers through my hair  
Oh I say that I don't need you  
I guess I really do 'cause

I can't fall in love without you  
(I can't, I can't fall in love)
