

bite the bullet

Jessica Baio

[Intro]

I won't bite the bullet, trigger wasn't locked
You say sorry while you pull it
Then take another shot 'cause

[Verse 1]

You keep coming home, don't smell like your cologne
Telling pretty little li-i-i-ies
Tryna hide your phone, pretend like I don't know
But I can see it in your ey-ey-ey-eyes

[Pre-Chorus]

I can take a loss but this one cuts
And some things can't be swept under the rug

[Chorus]

I can't bite the bullet, trigger wasn't locked
You say sorry while you pull it (Pull it)
Then take another shot 'cause I
Know that she was with you when I called last night (Night)
Tell me, did she wear that shirt you said was mine?
We're ruined (Ruined)
Load another round when you said you wouldn't do it (Do it)
Leave me on the ground every time you put me through it (Through it)
Can't you see I'm bleeding out? (Out)

[Post-Chorus]

'Cause I can't bite the—
I can't bite the bullet, bullet, bullet
I can't bite the—, I can't bite the—
I can't bite the bullet

[Verse 2]

You just point and shoot, did you think this through?
Do you like to see me cry-y-y-y?
The kick is gonna hurt and
I hope that it was worth it
You burned me one too many time-e-e-es

[Pre-Chorus]

I can take a loss but this one cuts
And some things can't be swept under the rug

[Chorus]

I can't bite the bullet, trigger wasn't locked
You say sorry while you pull it (Pull it)
Then take another shot 'cause I
Know that she was with you when I called last night (Night)
Tell me, did she wear that shirt you said was mine?
We're ruined (Ruined)
Load another round when you said you wouldn't do it (Do it)
Leave me on the ground every time you put me through it (Through it)
Can't you see I'm bleeding out? (Out)

[Post-Chorus]

'Cause I can't bite the—
I can't bite the bullet, bullet, bullet

I can't bite the-, I can't bite the- (I can't bite the-)
I can't bite the bullet, bullet, bullet
I can't bite the- (I can't bite the-)
I can't bite the- (I can't bite the-)
I can't bite the bullet
