[Intro]

(Uh-uh)

(Uh, uh)

[Verse 1]

You know my every move, boy, it's out of control
Anticipate my every need, you don't need to be told
You're so patient, need no trainin'
It's relationship goals
Like they say (They say), they say (They say)
You know when you know

[Pre-Chorus]

And maybe it was fate
Or written in the stars
But all I need to know

[Chorus]

I love you and you love me, it's that easy
No problems, no drama, no, you just see me
And love to your mama, because believe me
It don't always go like this, I knew after just one kiss
I love you and you love me, it's that easy

[Post-Chorus]

La-la-la-la-la
It's that easy
La-la-la-la-la

[Verse 2]

I need to say somethin'
I wouldn't change nothing
Keep up the test, keep doing us
Keep up the love, come on
All days and nights with you are days and nights that I like
Need someone to pinch me so I know it's real

[Pre-Chorus]

And maybe it was fate
Or written in the stars
But all I need to know

[Chorus]

I love you and you love me, it's that easy
No problems, no drama, no, you just see me
And love to your mama, because believe me
It don't always go like this, I knew after just one kiss
I love you and you love me, it's that easy

[Post-Chorus]

La-la-la-la-la, it's that easy
La-la-la-la-la, it's that easy
La-la-la-la-la, it's that easy, it's that
La-la-la-la-la, it's that easy

[Outro]

(Oh-oh, ooh, oh)
