

## Bum Me Out

Jessica Lea Mayfield

I don't need help and I don't want charity  
I just want someone to be kind to me  
I don't need money or a place to stay  
I'm too alone for my own day

I'm not gonna let it bum me out too hard  
I'm not gonna let it bum me out too hard  
I'm not gonna let it bum me out too hard  
I'm not gonna let it bum me out too hard

I can watch a sunset by myself  
I don't gotta share it with nobody  
All my friends must think I'm dead  
That's why I don't hear from them

I'm not gonna let it bum me out too hard  
I'm not gonna let it bum me out too hard  
I'm not gonna let it bum me out too hard  
I'm not gonna let it bum me out too hard
