

You've Won Me Over

Jessica Lea Mayfield

come get me drunk, tell me i'm pretty
tell me you want me by your side
make me fall apart
try as hard as you can
to let the pieces fall in your hand
and i'll kiss you tonight

and you tell me that i look sad
and you tell me that i look sad

and it's okay if you love me cause you love everyone that
you know
and it's okay if you kiss me cause you kiss all the
girlies you know
and i'd stand my ground if i had a leg to stand on
and you shoulda bowed for your award winning performance
cause you won me over
cause you won me over

and you tell me that i look sad
and you tell me that i look sad
and you tell me that i look sad
