

In All My Dreams I Drown

Jessica Lowndes

Devil & Tamara :
The Ship it swayed
Heave ho heave ho
On the dark and Stormy Blue

And I held tight to the Captain's might
As he pulled up his trews
"You haven't slept, heave ho" he said
"In many suns and moons"

Oh I will sleep when we reach shore
And pray we get there soon.

He said "Now hush love, here's your gown"
"There's the bed, Lanterns down"
But I don't want to go to sleep
In all my dreams I drown

Tamara:
The captain howled
Heave ho heave ho
And tied me up with sheets.
Devil & Tamara:
A storm is brewing in the south
Devil:
It's time you go to sleep

Devil & Tamara:
His berth it rocks
Heave ho heave ho
The ocean gnashed and moaned
Like Johna we'll be swallowed whole
And spat back teeth and bones

He said "Now hush love, here's your gown"
"There's the bed, lanterns down"
But I don't want to go to sleep

Tamara:
In all my dreams I drown

Tamara:
Captain!
Captain!
I will do your chores
I will warm your cot at night
And mop your cabin floors
Scold me
Hold me
I'll be yours to keep
The only thing I beg of you
Don't make me go to sleep.

Devil & Tamara:
The sky, it flashed
Heave ho, heave ho
His pillow dulled the brink

Tamara:

The curtains ran between my legs

Devil & Tamara:

As we began to sink

I closed my eyes

Heave ho, heave ho

As the ship was rent and filled

Eddie's in the water headed

To the mouth of Hell

Hush now, Hush Love

Here's your gown

There's the bed, lanterns down

I'm begging you please wake me up

In all my dreams I...
