

Snowbells

Jessica Lowndes

Come one, come all
See how, it falls
In the air, like magic now
Feel it as it's coming down

Snowbells, snowbells
Snowbells, snowbells
Ringing the night away
Ringing the night away

Snowbells

The season's here
Been quite a year
But I feel it in the air right now
Like it's magic coming down

Snowbells, snowbells
Snowbells, snowbells
Ringing the night away
Ringing the night away

Snowbells
Snowbells
Snowbells
Snowbells
Ringing the night away
Ringing the night away
Snowbells
