

Come Runnin'

Jessica Mauboy

You just had your ways
And I never minded
Turning up so late
All uninvited
I lost count of all the times you said
You deserve better

Always give you what you needed
Chasing you down on the weekend
Acting you like you need a reason
Tired of love that ain't even
Just let me know if you don't want this
Right now I need you to be honest
Give me an answer, I wanna understand
'Cause I give you all of me
And when you call my name
You know that I come runnin', runnin', runnin', runnin'
You knowthat I come runnin', runnin', runnin', runnin'

Don't need guarantees
Show me you're worth this
Back and forth routine
That's never ending
Never moving on to something more
Sounds so typical

Always give you what you needed
Chasing you down on the weekend
Acting you like you need a reason
Tired of love that ain't even

Just let me know if you don't want this
Right now I need you to be honest
Give me an answer, I wanna understand
'Cause I give you all of me
And when you call my name
Youknow that I come runnin', runnin', runnin', runnin'
You know that I come runnin', runnin', runnin', runnin'

I want to understand
'Cause I give you all of me
And when I call your name
I want you to come runnin', runnin', runnin'
I want you to comerunnin', runnin', runnin'

You know that we got a good thing
You don't need to over think it
Before you go screw up a good thing

Just let me know if you don't want this
Right now I need you to be honest
Give me an answer, I wanna understand
'Cause I give you all of me
And when you call my name
Just let me know if you don't want this
Right now I need you to be honest
Give me an answer, I wanna understand

'Cause I give you all of me
And when you call my name
You know that I come runnin', runnin', runnin', runnin'
You know that I come runnin', runnin', runnin', runnin'
You know that I come runnin', runnin', runnin', runnin'
You know that I come runnin', runnin', runnin', runnin'
