

Fight For You

Jessica Mauboy

Everywhere I turn
There's bombs going off
Just total chaos all around me
Smoke all in the air
There's casualties in love
Broken hearts laying everywhere
But they don't scare me at all
I got my armor on
Damn right, I'm ready for battle
I know it's dangerous
Right now I'm strong enough
I'm pushing through to you
Baby, I'm on my way

And I'll fight for you
I'll do what I gotta do
Yeah, I'll fight for you
I'll fight for you
I'd risk my life dying
On the front line for you
I'll fight for you
For your love
I'd fight for your heart
Go to war to be next to you
And no, I won't stop
'Til you're mine
Boy, I'll fight for you
I'll fight for you
I'll fight for you

Okay, I'm going in
Better take cover
Better yet, find another
Cause this ones for me
It's about to be some warfare
I don't care cause the way
I feel about him I'll go there
But they don't scare me at all
I got my armor on
Damn right, I'm ready for battle
I know it's dangerous
Right now I'm strong enough
I'm pushing through to you
Baby, I'm on my way

And I'll fight for you
I'll do what I gotta do
Yeah, I'll fight for you
I'll fight for you
I'd risk my life dying
On the front line for you
I'll fight for you
For your love
I'd fight for your heart
Go to war to be next to you
And no, I won't stop
'Til you're mine

Boy, I'll fight for you
I'll fight for you
I'll fight for you

Go ahead and mark this date in history
Cause it's the battle of the century
There's never gonna be another soldier for love
That will fight for you like me

I'll fight in the South
I'll fight in the North
I'm gonna fight for you
Like I never fought before
I'll fight in the West
I'll fight in the East
Baby, you my man
Anywhere I wanna be

I'll fight in the South
I'll fight in the North
I'm gonna fight for you
Like I never fought before
I'll fight in the West
I'll fight in the East
Baby, you my man
Anywhere I wanna be

And I'll fight for you
I'll do what I gotta do
Yeah, I'll fight for you
I'll fight for you
I'd risk my life dying
On the front line for you
I'll fight for you
For your love
I'd fight for your heart
Go to war to be next to you
And no, I won't stop
'Til you're mine
Boy, I'll fight for you
I'll fight for you
I'll fight for you
I'll fight for you
