

Just like You

Jessica Mauboy

The way she listens when you talk
The way you watch her when you watch her walk
Forty years and you still got a love so new

That's the way you always were
Ever since I was a little girl
And that's the reason why I'm so sure
That love is true
You showed me how to hold on when you have it
Yeah he makes me feel like maybe I'm magic

Just like you he looks at me the way you do
I found someone to hold on to
I found a good man just like you
And any time that he needs proof
I'm going to love the way you taught me to
'Cause he's a good man just like you

Makes me want to close my eyes and dream
The kind of love so strong and sweet
He's everything you could want for me
I promise you
Yeah I've been waiting so long just to have it
Now that I've found my own piece of magic

Just like you he looks at me the way you do
I found someone that I can hold on to
A good man just like you
And any time that he needs proof
I'm going to love the way you taught me to
'Cause he's a good man just like you

I don't know how I got so lucky
But I think I found somebody like you, just like you
He holds my hand while we dance around the room

Just like you he looks at me the way you do
I found someone to hold on to
I found a good man just like you
And any time that he needs proof
I'm going to love the way you taught me to
'Cause he's a good man just like you
Yes, he's a good man just like you
