Kick Up Your Heels

Jessica Mauboy

One time for the land down under
Two times for Mr. Worldwide
Three times for the gorgeous Jessica

I met a fellow at the bar
I know he slipped me something strong
Said won't you be my Valentine
For the night...

I said who do you think you're talking to?
Before this girl gets cute with you
I need to see the way you move
If I'm gon call you mine

Oh I'm not falling to my knees
You know I'm one of a kind
If you really wanna take a chance on me
Then dance on me, let's unwind

Just get up on your heels
The bass drop and the keys just won't stop
Here's the D, you're gonna dance with me tonight
Swing from here to there
Let go of all your cares
A ragtime love affair
You're gonna dance with me tonight

Kick up your heels and swing with me
Oh my baby
Kick up your heels and swing with me
Gonna dance with me tonight
Kick up your heels and swing with me
Oh my baby
Swing it like you mean it

They say that you're a cat's meow
I'm curios what you're about
You're dangerous without a doubt
But it's alright

You may or may not be the one
For now we're only having fun
You talk like you've already won
But we still got the night

Oh I'm not falling to my knees
You know I'm one of a kind
If you really wanna take a chance on me
Then dance on me, let's unwind

Just get up on your heels
The bass drop and the keys just won't stop
Here's the D, you're gonna dance with me tonight
Swing from here to there
Let go of all your cares
A ragtime love affair
You're gonna dance with me tonight

Kick up your heels and swing with me
Oh my baby
Kick up your heels and swing with me
Gonna dance with me tonight
Kick up your heels and swing with me
Oh my baby
Swing it like you mean it

I got a bad habit of being with women that look like Jessica Rabbit
You know I gotta have it, tag it, rip and grab it
Lick it, stick it, kiss and bag it
I love it when they keep they heels on and clothes off
I'm tryna find my mind but it's so lost
I'm tryna turn you on and get you so off
These boys act like they hard but they so soft
Visa to visa, country to country
Sending here bees and the women who love me
They sayin they need me, they sayin they want me
Catch me in the Bahamas eatin Chonky Conky
Getting harder than the FK
Just so I can F that
I don't need the pope to bless that
That's what I'm here for, been there

Just get up on your heels
The bass drop and the keys just won't stop
Here's the D, you're gonna dance with me tonight
Swing from here to there
Let go of all your cares
A ragtime love affair
You're gonna dance with me tonight

Kick up your heels and swing with me
Oh my baby
Kick up your heels and swing with me
Gonna dance with me tonight
Kick up your heels and swing with me
Oh my baby
Swing it like you mean it
