

Solid Rock

Jessica Mauboy

Out here nothin' changes
Not in a hurry anyway
You feel the endlessness

Comin' of the light o' day
We're talkin' 'bout a chosen place
You wouldn't sell it in a marketplace
Well
Well just a minute now

Standin' on solid rock
Standin' on sacred ground
Livin' on borrowed time
And the winds of change
Are blowin' down the line

Round about the dawn of time
When dreaming all began
A crowd of people came
Well they were lookin' for their promised land
We're runnin' from the heart of darkness
Searchin' for the heart of light
It was their paradise

But they were standin' on solid rock
Standin' on sacred ground
Livin' on borrowed time
And the winds of change
Were blowin' cold that night

Well they were standin' on the shore one day
Saw the white sails in the sun
Wasn't long before they felt the sting
White man, white law, white gun
Don't tell me that it's justified
Cause somewhere
Someone lied
Yeah, well someone lied

Now they're standin' on solid rock
Standin' on sacred ground
Livin' on borrowed time
And the winds of change
Are blowin' down the line

Solid rock
Standin' on sacred ground
Livin' on borrowed time
And the winds of change
Are blowin' down the line
