

Time After Time

Jessica Mauboy

See sometimes you picture me I'm walking too far ahead
You're calling to me, I can't hear what you say
Then you say go slow and I fall behind
The second hand unwinds

If you're lost, you can look and you will find me
Time after time
If you fall, I will catch you, I'll be waiting
Time after time

If you're lost, you can look and you will find me, yeah
Time after time
If you fall, I will catch you, I will be waiting
Time after time

After time, after time, after time
After time, after time, after time

After my picture fades and darkness has turned to gray
Watching through windows, you're wondering if I'm okay
Secrets stolen from deep inside
The drum beats out of time

If you're lost you can look and you will find me
Time after time
If you fall, I will catch you, I'll be waiting
Time after time

If you're lost, you can look and you will find me, yeah
Time after time
If you fall, I will catch you, I will be waiting
Time after time

Time after time, after time
After time, after time, after time

Then you say go slow, I fall behind
The second hand unwinds

If you're lost, you can look and you will find me
Time after time
If you fall, I will catch you, I'll be waiting
Time after time

If you're lost, you can look and you will find me, yeah
Time after time
If you fall, I will catch you, I will be waiting
Time after time

Time after time
Time after time, after time
After time, after time, after time
After time, after time, after time
After time, after time
