

Sorry For You

Jessie Farrell

Oh yeah
na na na na na na
na na na na na na

You can cry, I won't believe it
You can try, to make me see it
Everything's so wrong,
Nothing feels right at all

You can tell me, that your pathetic
I won't argue, I wish you'd get it
But everything's so right
Nothing's gone wrong and...

You've got everything
You've got everything

I'm not gonna' sit and feel sorry for you
That's the last thing that you need me to do
Sit around and wish for better luck
Sit around and wish for love
I'm not gonna sit and feel sorry for you

What's the point in your complaining
When the sun shines for you it's raining
Everything's unfair, nobody cares and

You've got everything
You've got everything

I'm not gonna' sit and feel sorry for you
That's the last thing that you need me to do
Sit around and wish for better luck
Sit around and wish for love

I'm not gonna listen when
You say The worlds against you
You are the first to give up
You say you've got no spirit at all, oh oh yeah
You say the world's against you
You say you've got no friends then
Who am I
Who am I

I'm not gonna' sit and feel sorry for you
That's the last thing that you need me to do
Sit around and wish for better luck
Sit around and wish for love

I'm not gonna' sit and feel sorry for you
That's the last thing that you need me to do
Sit around and wish for better luck
Sit around and wish for love, hey

I'm sorry I don't feel sorry for you
yeah yeah
I'm sorry I won't feel sorry for you

na na na na na na na na

I'm sorry I don't feel sorry for you

You've got everything
