Casualty of Love

We may not have all the answers I know that we can change some of the things that are beyond our cont rol And the vision of us may be blurry But use your heart to see Just follow the beat, the rhythm will lead you right back to me

Sometimes it's a game of give and take It's easy to break But hold on and wait Have a little faith

I will go down to the last round I'll be your strength to find you when you get lost in the crowd So I'll stand up tall, if by chance I fall Then I'll go down as a casualty of love

The battle of us could be simple Escape without being hurt Cause love is our shield, keeps us concealed From what could get even worse

So baby let me be your soldier Don't be overtaken by pride Just close your eyes, take my hand Promise to keep us alive

Sometimes it's a game of give and take It's easy to break But hold on and wait Have a little faith

I will go down to the last round I'll be your strength to find you when you get lost in the crowd So I'll stand up tall, if by chance I fall Then I'll go down as a casualty of love

All is fair In love and war Knock me down And I'll get back up wanting more Through the fire and rain It makes me numb from the pain That's the price, that's the price, I'll pay

I will go down to the last round I'll be your strength to find you when you get lost in the crowd So I'll stand up tall, Baby if I fall Then I'll go down as a casualty of love
