

Daydreamin'

Jessie J

[Verse:]

I wish I could stop myself
You gotta tell me there's nothing there (nothing there)
I don't want nobody else
Hoping one day you might care (yea yea yea)

[Pre-Chorus:]

Voices saying just hold back
And erase the heart drawn on your sleeve (your sleeve)
I won't stop wishin' wishin' for you're my baby
Ha! Then watch you come to me

[Chorus:]

You got me daydreamin'
That's all I got, all I got
Daydreamin'
Of what I want, what I want
Daydreamin'
That's all I got, all I got
I don't wanna know, I don't wanna know know
I don't wanna know, I don't wanna know know

[Verse:]

Imagination running wild (running wild!)
And then to realize this ain't real (real real real)
Please just hit me with the truth (truth)
It really hurt if it's all I feel (all I feel)

[Pre-Chorus:]

Voices saying just hold back
And erase the heart drawn on your sleeve (your sleeve)
I won't stop wishin' wishin' for you're my baby
I want you here with me

[Chorus:]

You got me daydreamin'
That's all I got, all I got
Daydreamin'
Of what I want, what I want
Daydreamin'
That's all I got, all I got
I don't wanna know, I don't wanna know know
I don't wanna know, I don't wanna know know

[Bridge:]

I thought of leaving my heart away, yea
I'm flirting, I'm flirting
You'll give me blessing, I'm just here to say
Oh oh oh!

[Chorus 2x:]

You got me daydreamin'
That's all I got, all I got
Daydreamin'
Of what I want, what I want
Daydreamin'
That's all I got, all I got

I don't wanna know, I don't wanna know know
I don't wanna know, I don't wanna know know
