I'm feeling sexy and free
Like glitter's raining on me
You like a shot of pure gold
I think I'm 'bout to explode

I can taste the tension like a cloud of smoke in the air
Now I'm breathing like I'm running cause you're taking me there
Don't you know you spin me out of control

Ohoh Ohoh We can do this all night
Damn this club is skin tight
Baby come on
Ohoh Ohoh Pull me like a bass drum
Sparkin' up a rhythm
Baby, come on! Ohoh Ohoh

Rock my world into the sunlight
Make this dream the best I've ever known
Dirty dancing in the moonlight
Take me down like I'm a domino
Every second is a highlight
When we touch don't ever let me go
Dirty dancing in the moonlight
Take me down like I'm a domino

You got me losing my mind
My heart beats out of time
I'm seeing Hollywood stars

You strum me like a guitar
