

# Hero

Jessie J

I'm gonna be risky  
Life and soul of the party  
No more stressing me out  
Pulling me down  
Making me feel like I am better off lonely  
I'm gonna be fearless  
And take care of my business  
You stopped keeping me safe  
I need to be brave  
Shout it out  
Shout it out  
Shout it, shout it every day now

Try steal my powers right from me  
Just like a criminal  
But I won't have it  
I'm not flying into your arms, no

I never thought that you'd drain the fight out of me  
Oops, look what you did to me  
Now I figured out

I don't need no hero-oooo...  
I can save myself no hero-oooo-oooo...  
Anything is possible, feeling indestructible  
I don't need no hero-oooo...  
I don't need no hero

I'm living dangerous  
For what you did, I'll make you pay for it  
See, I know that you're scared  
Watching me over head  
Watch me, watch-watch me now  
I see you watch me every day now

Can't steal my powers right from me  
Just like a criminal  
But I won't have it  
I'm not flying into your arms

I never thought that you'd drain the fight out of me  
Oops, look what you did to me  
Now I figured out

I don't need no hero-oooo...  
I can save myself no hero-oooo-oooo...  
Anything is possible, feeling indestructible  
I don't need no hero-oooo...  
I don't need no hero

I don't need no hero  
I don't need no hero  
I don't need no hero  
I don't need no hero

I don't need no hero-oooo...  
I can save myself no hero-oooo-oooo...

Anything is possible, feeling indestructible  
I don't need no hero-oooo...  
I don't need no hero
