

In the blink of an eye  
I was falling from the sky  
In the blur, you took my breath away  
And my heart starts beating  
And my lungs start breathing  
And the voice in my head starts screaming  
I'm alive!

You're like a laserlight, burning down  
Burning down, on me  
You're like a laserlight, burning down  
Burning down, on me

You make me feel good,  
You make me feel safe,  
You make me feel like I could live another day  
You make me feel good,  
You make me feel safe,  
You know I wouldn't have it any other way

(D-D-D-David G)  
(Je-Je-Je-Jessie J)

You and me, face to face  
And there's so much I could say  
On these words, and forever seem the silence  
Can you hear, that box bre-brea-breaking  
And the world starts sha-sha-shaking  
They keep talking, talking, talking  
But we're walking, walking, to the light  
Tonight, tonight

You're like a laserlight, burning down  
Burning down, on me  
You're like a laserlight, burning down  
Burning down, on me

You make me feel good,  
You make me feel safe,  
You make me feel like I could live another day  
You make me feel good,  
You make me feel safe,  
You know I wouldn't have it any other way

Stop...please don't stop...I won't stop  
We won't stop... [3x]

In the blink of an eye  
I was falling from the sky  
In the blur, you took my breath away
