

# Not My Ex

Jessie J

My ex used to tell me I'm flawless  
When laying low with other girls  
Believed him when he said he was honest  
Then blame myself when I got hurt  
My ex used to tell me I'm selfish  
But never did he put me first  
Ignore me and he'd do it on purpose  
Just to have the last word

But now you wanna love me, who knows what you'll find  
It won't be easy, but I'm down for the ride  
Just remember  
You're not my ex, no  
I know I can be trouble, Lord knows that it's hard  
It won't be simple when I give you my heart  
Just remember  
I'm not your ex

I'm fallin' for you, you're fallin' for me  
I won't promise I won't hurt again  
I can promise we won't be like them  
I'm fallin' for you, you're fallin' for me (baby)  
I won't promise I won't walk away  
I can promise it won't be the same

My ex used to tell me, no male friends  
Cut 'em off if you really care  
I will go away a couple days  
Hundred girls at his place  
Games night, truth or dare  
My ex used to tell me, he's so chill  
Then steal my phone, so I couldn't leave, yeah  
Act a clown, run his mouth  
Cussing out, brought me down  
Thank God, I set me free

Cause now you wanna love me, who knows what you'll find  
It won't be easy, but I'm down for the ride  
Just remember  
You're not my ex, mmm  
I know I can be trouble, Lord knows that is hard  
It won't be simple when I give you my heart  
Just remember  
I'm not your ex  
Ye-ye-ye-yes!

I'm fallin' for you, you're fallin' for me  
I won't promise I won't hurt again  
I can promise we won't be like them  
I'm fallin' for you, you're fallin' for me  
I won't promise I won't walk away  
I can promise it won't be the same

No... ooh, yeah  
It won't be the same (yeah)  
It won't be the same (no, no)  
It won't be the same

I'm fallin' for you, you are fallin' for me (you are)  
I won't promise I won't hurt again  
I can promise we won't be like them  
Your ex  
And I'm not your ex  
You're not my ex  
You're not my ex  
...
