

You Don't Really Know Me

Jessie J

The girl who always says "Yes"
Wants to scream "No"
Takes over everyone's stress
Ignores her own

The life and soul of the party
But loves to stay home
She says she's not broken-hearted
But cries on her own

Playing pretend
I shouldn't hide it
It isn't right
Being a liar
I'm crossing the line
Dancing with fire
When I'm not fine
Should I deny it?

'Cause I'm going crazy when I'm not OK
I keep praying that the cracks don't show my pain
'Cause even when I'm falling, I say my life is like a dream
But I'm fighting through a nightmare
'Cause I'm not really being me
So you don't really know me

The girl who starts all the jokes
Just make her laugh
Preaches the dos and the don'ts
But loves to be bad

Smiles when they guess who she's loving
What they say makes her mad
She says, "I'm fine. I need nothing."
But she hopes for your hand

Playing pretend
I shouldn't hide it
It isn't right
Being a liar
I'm crossing the line
Dancing with fire
When I'm not fine
Should I deny it?

'Cause I'm going crazy when I'm not OK
I keep praying that the cracks don't show my pain
'Cause even when I'm falling, I say my life is like a dream
But I'm fighting through a nightmare
'Cause I'm not really being me
So you don't really know me

So you don't really know me
How can you know me?
You don't really know me
You don't really know me

'Cause I'm going crazy when I'm not OK
I keep praying that the cracks don't show my pain
'Cause even when I'm falling, I say my life is like a dream
But I'm fighting through a nightmare
'Cause I'm not really being me

And you don't really know me
I'm not really being me
Not really being me
Not really being me
Not, not
I'm not really being me
Not, not, not
I'm not really being me

You don't really know me
