

# Girl On the Coast

Jessie James Decker

Summer, summer time  
And the feeling is crazy  
And I'm living easy  
And the sun, the sun it shines  
Was only here for the weekend  
But I'm never leaving

Take me down to the beach  
By the coconut tree  
Your hand in my hand  
Lemon in my iced tea  
Rolling in the sand  
Salty kisses on my tan  
And we're sipping on mojitos  
With sand in my toes  
Summer boys on the shore  
Nowhere to go  
Just a girl on the coast  
I'm just a girl on the coast  
And I'm singing hey I'm okay  
But if you want me this is where I'm gonna be  
I'm just a girl on the coast

Blue how blue is the sky  
Palm trees are shading  
And the sun is blazing  
And I close I close my eyes  
I hear the waves are crashing  
And I'm hear relaxing

Take me down to the beach  
By the coconut tree  
Your hand in my hand  
Lemon in my iced tea  
Rolling in the sand  
Salty kisses on my tan  
And we're sipping on mojitos  
With sand in my toes  
Summer boys on the shore  
Nowhere to go  
Just a girl on the coast  
I'm just a girl on the coast  
And I'm singing hey I'm okay  
But if you want me this is where I'm gonna be  
I'm just a girl on the coast

I have never felt so free  
I'm happy here swimming in the sea  
I guess the mermaid life is just for me

Take me down to the beach  
By the coconut tree  
Your hand in my hand  
Lemon in my iced tea  
Rolling in the sand  
Salty kisses on my tan  
And we're sipping on mojitos

With sand in my toes  
Summer boys on the shore  
Nowhere to go  
Just a girl on the coast  
I'm just a girl on the coast  
And I'm singing hey I'm okay  
But if you want me this is where I'm gonna be  
I'm just a girl on the coast  
Yeah I'm singing hey I'm okay  
But if you want me this is where I'm gonna be  
I'm just a girl on the coast
