

# Cold

Jessie Murph

Can't lose if you never play  
Can't get let down if you never show up  
Ten coats on a summer day  
That heart so cold you could put it in a cup  
And I get it, I get it with no ties  
I'm baptized in bad times  
This ain't nothing new to me  
Ain't nothing new to me

The memories are fading  
But the holy war's still raging  
Your arms alone can't save me  
No, you can't save me  
It's out of your control

I been, I been, I been this cold, yeah  
No fire below could melt this soul, yeah  
Your love is warm but not enough  
And if you didn't know, baby, now you know  
I been, I been, I been this cold  
Cold (Been this cold, been this cold, been this cold)  
Cold, yeah (Been this cold, been this cold, been this cold)  
Cold  
Cold, yeah (Now you know, now you know, now you know)  
Cold, ah

Can't quote what you never say  
Can't do me wrong if I've never been right  
Can't say that it ever changed  
I've been this way and I'm taking you down  
Baby, down, baby, down you go  
I'ma lay you down in the goddamn snow  
Every motherfucker ever try it gonna know

I been, I been, I been this cold, yeah  
No fire below could melt this soul, yeah  
Your love is warm but not enough  
And if you didn't know, baby, now you know  
I been, I been, I been this cold  
Cold (Been this cold, been this cold, been this cold)  
Cold, yeah (Been this cold, been this cold, been this cold)  
Cold  
Cold, yeah (Now you know, now you know, now you know)  
Cold, ah

Can't lose if you never play  
Can't get let down if you never show up  
Ten coats on a summer day  
That heart so cold you could put it in a cup  
And I get it, I get it with no ties  
I'm baptized in bad times  
This ain't nothing new to me
