

Cotton Candy

Jessie Reyez

Trying to brace myself for your call
Don't know where your head's at
Or if you love me at all, anymore
Can we just show you all the words I'm gonna gift you
If you let me
If you let me

I know this road too well
I don't wanna see you at a bar
And think we could have tried a little harder (little harder)
Don't wanna see you at a bar
And maybe you start thinking
"Damn, I lost her" (damn, I lost her)
Ooh, baby, don't lose me now (baby, don't lose me now)
Baby, don't lose me now (baby, don't lose me now)
Baby, don't lose me now
Baby, don't lose me now

Still waiting for your call
Aren't you the one that's supposed to pick me up when I fall
Nothing's easy in this world
Baby, believe me
I just hope you see it when you see me

I know this road too well
I don't wanna see you at a bar
And think we could have tried a little harder (little harder)
Don't wanna see you at a bar
And maybe you start thinking
"Damn, I lost her" (damn, I lost her)
Ooh, baby, don't lose me now (baby, don't lose me now)
Baby, don't lose me now (baby, don't lose me now)
Baby, don't lose me now
Baby, don't lose me now
