

I wasn't gonna call  
Wasn't gonna call  
Been about a year since we last talked  
Then I want to the mall  
And I saw your mom  
And she came and asked why we broke up  
Thought you would've snitched  
And called me a bitch  
And say that you tried but had no luck  
Back then I was depressed  
Shit, I'm still a mess  
But your momma said I should call

Hi (Hi)  
You say why (I)  
Guess I missed you  
I guess I missed you

Hi (Hi)  
You say why (I)  
Guess I missed you  
I guess I missed you

I wasn't gonna cave  
I wasn't gonna say  
Still wear your Zeppelin tee some nights  
Wasn't gonna break  
Wasn't gonna chase  
Creepin on your page just ain't suffice  
Then I make you laugh  
Like I did in the past  
I say maybe we just needed time  
You ask me where I'm at  
I send you the map  
And I tell you to come find me

Hi (Hi)  
You say why (I)  
Guess I missed you  
I guess I missed you

Hi (Hi)  
You say why (I)  
Guess I missed you  
I guess I missed you

Hi (Hi)  
You say why (I)  
Guess I missed you  
I guess I missed you
