Dub

Ponme el nombre que tú quieras
Nueva yo y recién soltera
Y celebrando otro trago
Esta noche sabe a guaro
Los besos tuyos siempre alivian y casi me sanan
Ojalá que un clavo saque a otro clavo aquí en mi cama

Tú, has podido dejarla atrás
Y ella tan fácil de borrar
Yo paso esa página por ti, mm
Tengo una dosis peligrosa para ti
Dosis peligrosa para ti
Dosis peligrosa para ti
Uh, yeah

Hi, my name is 6LACK
And sometimes people call me SIX-LACK
I don't mind because they stubborn
And my bank account is looking mighty fine, ayy
We can skip the wine and dine
Go straight for the wind and grind
She wanna cum, I can make it happen, fuck trying
Sometimes, I get messy, you can be my biggest secret
I ain't sliding if you're wit' him
Baby, you gon' have to leave him
I got morals on Sundays, sometimes on Wednesdays
Really, it depends, but

You, you're in love with somebody else
(You're in love with somebody else)
Maybe I could offer some help
(Maybe I could offer some help)
He brought you down, now climb on top of me
You gon' see, yeah

Tú, estás pensando en alguien más
Y ella tan fácil de borrar
Yo paso esa página por ti
Tengo una dosis peligrosa para ti
Dosis peligrosa para ti
Dosis peligrosa para ti
But you might O.D. if you get too much of me

O.D. if you get too much of me
You might O.D. If you get too much of me
O.D. if you get too much of me
