

Ooh La La

Jessie Ware

Every day, every day, every day I look
For your car to pick me up on the avenue
Driving 'round, take me out, listening to the music
Put your lips on my cheek, that would make me happy

Ooo la la
Open up the door, you know I like it
Ooo la la
Chivalry was dead but you revived it

You can love me one time
You can love me two, two time
You get more of my time
If you're gonna treat me nice
You can love me one time
You can love me two, two time
You get more of my time
If you're gonna treat me nice

Ahhhh...ding
Ahhhh...ding
Ahhhh...ding
Ahhhh...ding

Park it up at my place
Who knows where we might be?
You can stay overnight
If you ask politely

Ooo la la
Open up the door, you know I like it
Ooo la la
Chivalry was dead but you revived it

You can love me one time
You can love me two, two time
You get more of my time
If you're gonna treat me nice
You can love me one time
You can love me two, two time
You get more of my time
If you're gonna treat me nice

Driving fast, driving fast, Technicolor street lights
Cigarettes on the dash, we can have a sweet time
Baby, where have you been all of my life?
All of my life, all of my life
Driving fast, driving fast, Technicolor street lights
Cigarettes on the dash, we can have a sweet time
Baby, where have you been all of my life?
All of my life, all of my life
