

# You & I (Forever)

Jessie Ware

It's getting late for me  
But it's too early for you  
I shouldn't wait but  
This one I'm not gonna lose  
I see it, forever  
I got my start off at 10  
You give your love for free  
So won't you say it again  
That this is all that you need  
Can you see it?  
Can you see it?

Tell me what we're waiting for  
I only wanna love

I don't wanna try alone  
We could dream it all  
Don't wanna stop the thought  
With you and I forever  
Forever  
I only wanna team with you  
We could dream it all  
Don't wanna stop the thought  
With you and I forever  
Forever

Sometimes you gotta push to start  
And then we're gonna go until the wheels fall off  
Till the wheels fall off  
Can't you see it?  
It's forever

I don't wanna try alone  
We could dream it all  
Don't wanna stop the thought  
With you and I forever  
Forever  
I only wanna team with you  
We could dream it all  
Don't wanna stop the thought  
With you and I forever  
Forever

Ooh...  
Ooh-ooh-ooh...  
Ooh-ooh-ooh-ooh-ooh...  
Ooh-ooh-ooh...

I don't wanna try alone  
We could dream it all  
Don't wanna stop the thought  
With you and I forever  
Forever  
I only wanna team with you  
We could dream it all  
Don't wanna stop the thought  
With you and I forever

Forever
