

## Double Time

Jessy Lanza

It's the same every day  
Can't get started with you  
No, no, no  
Never say a simple thing  
Oh, you know that it's true  
And that won't change

Still, I want you  
Double time  
Every night  
I do (ooh, ooh), yeah  
Still, I want you  
Double time  
Every night  
Ooh, ooh  
I'm coming back

Don't say my name or call me baby  
The way I want you to  
No, no, no  
I don't know what we said tonight  
Feels bad looking at you  
And I won't change

Still, I want you  
Double time  
Every night  
I do (ooh, ooh), yeah  
Still, I want you  
Double time  
Every night  
Ooh, ooh  
I'm coming back
