

# Gossamer

Jessy Lanza

Oh yeah, oh yeah, oh yeah

No secret  
No magic  
Gossamer  
It's delicate  
And it's gone  
It's gone

So frantic with no purpose  
All my worries  
Keep climbing  
Oh, I'm doing nothing  
Bad timing  
It's not wrong  
It's not wrong

I've got time  
I'm gonna keep it up  
Yeah, I'm gonna do it all night  
I'm gonna keep it up  
Yeah, I'm gonna do it all night

No secret  
And there's no magic  
Gossamer  
It's delicate  
And it's gone (It's gone)  
Gone

And I'm so frantic  
With no purpose  
All my worries  
Keep climbing  
Oh, I'm doing nothing  
Bad timing  
It's not wrong  
It's not wrong

I've got time  
I'm gonna keep it up  
Yeah, I'm gonna do it all night  
I'm gonna keep it up  
I'm gonna do it all night

I've got time  
I'm gonna keep it up  
Yeah, I'm gonna do it all night  
I'm gonna keep it up  
Yeah, I'm gonna do it all night

I've got time  
I'm gonna keep it up  
Yeah, I'm gonna do it all night  
I'm gonna keep it up  
I'm gonna do it all-
