

Strange Emotion

Jessy Lanza

Do you care?
To stay at home?
Cause' I dont think
That i can go out then

I've got plans
That I can't stop thinking of
And if you want
Baby come and show your love
I feel it coming around
Yeah, I feel it, coming, so strong.
Boy, you got me feeling such a strange emotion
Boy, you make me feel like a strange emotion
But it feels so real
And I don't know if you were for real
Boy, you make me feel such a strange emotion

It's one o'clock
Baby, where you been?
Oh, cause I dont know
How I'm gonna say you win
And one more day
And then you'll see

Baby, cause I feel it coming around
Baby, I feel it coming, so strong
Boy, you make me feel such a strange emotion
Boy, you make me feel like a strange emotion
But it feels so so real
I don't know if you were for real
Boy, you make me feeling like a strange, strange, strange, strange emotion
