

# Dancing in the dark

Jessy

Can we try again to start a new and lovely story  
that will shine a ray of light upon our hearts  
and bring back long lost glory  
of how it used to be  
baby you and me  
convinced we were each others destiny

my heart cries out to you  
you must forgive me  
I've been dancing in the dark  
I've been searching for a spark  
of fire still burning  
I believe we'll make it through  
if you stand by me  
we can weather any storm  
and keep each other warm  
as long as there's love

every time I think of us my eyes are filled with tears  
to think that I gave in to sweet temptation  
his words like music to my ears  
I hope it's not too late  
that you still await  
oh please tell me that you're still having faith

my heart cries out to you  
you must forgive me  
I've been dancing in the dark  
I've been searching for a spark  
of fire still burning  
I believe we'll make it through  
if you stand by me  
we can weather any storm  
and keep each other warm  
as long as there's love

Hmmmm  
But faith is not mine  
and if I could I'd unturn  
the hands of time

my heart cries out to you  
you must forgive me  
I've been dancing in the dark  
I've been searching for a spark  
of fire still burning  
I believe we'll make it through  
if you stand by me  
we can weather any storm  
and keep each other warm  
as long as there's love
