

Innocence

Jessy

It feels so good...

I can see the magic of the light
It feels so good - you make me fly
I feel like an angel with innocence inside
Come on and take me

Innocence...
Innocence...
Innocence...

It feels so good - Come on and take me
It feels so good - I feel like an angel
It feels so good - Come on and take me (10x)
Come on and (13x) ...take me

Innocence...
Innocence...
