

## Ruined

Jesu

just like  
me, you've  
lost your  
sight now

just like  
me, you  
see no reason  
to fight

but you won't  
find your  
pot of  
gold here

just like  
me, you  
can't be  
told now

just like  
me, you've  
lost your  
sight now

just like  
me, you  
see no reason  
to fight

but you won't  
find your  
pot of  
gold here

just like  
me, you  
can't be  
told now

rise rock!...
