

# You Won't Relent

Jesus Culture

You wont relent until you have it all  
My heart is yours  
You wont relent until you have it all  
My heart is yours (sing it again)  
You wont relent until you have it all  
My heart is yours  
You wont relent until you have it all  
My heart is yours

I set you as a seal upon my heart  
As a seal upon my arm  
For there is love  
That is as strong as death  
Jealousy demanding as the grave  
And many waters cannot quench this love

You wont relent until you have it all  
My heart is yours (waters cannot quench this love)  
You wont relent until you have it all (yeah)  
My heart is yours (oh)

Come be the fire inside of me  
Come be the flame upon my heart  
Come be the fire inside of me  
Until you and I are one (sing it again)  
Come be the fire inside of me  
Come be the flame upon my heart  
Come be the fire inside of me  
Until you and I are one

Oh we are one  
Yeah yeah  
Oh the fire in me fire in me  
Yeah

I don't wanna talk about it  
Like You're not in the room  
When I look right at You  
When I sing right to You  
I don't wanna talk about You  
Like You're not in the room  
When I look right at You  
When I sing right to You

You wont relent until you have it all  
My heart is yours (my heart is)  
You wont relent until you have it all  
My heart is yours (sing it again)  
You wont relent until you have it all  
My heart is yours (lemme hear you cry)  
You wont relent until you have it all  
My heart is yours

I set you as a seal upon my heart  
As a seal upon my arm  
For there is love  
That is as strong as death

Jealousy demanding as the grave  
And many waters cannot quench this love

Oh  
Waters cannot quench this love  
No no no no  
Sing out come be

Come be the fire inside of me  
Come be the flame upon my heart  
Come be the fire inside of me  
Until you and I are one (sing it again)  
Come be the fire inside of me  
Come be the flame upon my heart  
Come be the fire inside of me  
Until you and I are one

Jesus!

Come be the fire inside of me  
Come be the flame upon my heart  
Come be the fire inside of me (you wont relent until you have it all)  
Until you and I are one (my heart is yours)  
Come be the fire inside of me (you wont relent until you have it all)  
Come be the flame upon my heart (my heart is yours)  
Come be the fire inside of me (you wont relent until you have it all)  
Until you and I are one (my heart is yours)

Till you and I are one  
Jesus
